

Waukesha County Park System Release of Liability

My child is being allowed to participate in the Waukesha County Hockey Player Development Program at either Naga-Waukee or Eble Park Ice Arena. I understand that there are certain dangers inherent in playing ice hockey, which includes but is not limited to injuries from contact with other players, sideboards, goal standards, the ice, the puck, and equipment. In consideration of being allowed to participate in the hockey player development program, I, Individually and for all others who may claim based on injury to my child, accept the risk of physical injury, release and discharge Waukesha County and its employees from any liabilities to me or my child for any physical injury which may occur while my child is participating in player development. I understand that the purpose and intent of this release is to prevent me, and others who may claim through me, from recovering any money from Waukesha County and its employees for any physical injury my child may suffer while participating in player development.

Course Break-Down

Session 1: Skating Development

Focuses on basic skating skills needed to play hockey. Pucks and sticks are not used.

Session 2: Hockey Development

Introduction to hockey basics: Stick handling, shooting, passing and game play taught.

Completion of the 16 week player development program is not required but highly recommended for Waukesha County Youth Hockey Association team play.

Equipment Requirements

The following equipment is required for children to participate. Your own skates are **highly recommended** but Free Rental will be available at all lessons.

Session 1 – Skating Development

- Hockey Skates **Please note - When fitting, hockey skates run 1 to 2 sizes smaller than shoe sizes. Skates need to fit and be tied tight**
- Hockey Helmet with face mask
- Shin guards
- Elbow pads
- Hockey Gloves
- Hockey jersey provided first class of session 1

Session 2 - Hockey Development

- All items required for Session 1
- Hockey Stick
- Breezers/Hockey Pants
- Shoulder Pads
- Additional equipment is optional.

What's after Hockey Development?

Waukesha County Youth Hockey Organization strives to promote the enjoyment and competitive benefits of youth hockey. It is our goal to teach the fundamentals of hockey and fun of playing through education, teamwork, discipline, competition and respect. We are not a win-at-all cost organization; instead opting to support fair ice time for all players, to measure development in personal growth, hard work and sportsmanship. We want every player in the organization to reach his or her full potential as a player and as a person

waukeshawarhawks.org

The Eble In-House is for players that have completed a hockey development program and are not skating for a youth hockey organization. The emphasis in this program will be on skill development. Each session will be divided into two halves. The first half of each session will be working on player's skating as well as practicing hockey drills. The second half of the session will be for games. Each age level, Mite (ages 5 - 8) and Peewee (ages 9 – 15) will be utilizing half of the rink. This allows skaters to become more involved in the play and have increased opportunities to touch the puck. Rosters will be flexible, no scores or stats will be recorded.

All sessions will be on Friday Evenings at Eble Park Ice Arena and will run November thru February. Please call or visit us online for registration form and schedule
